INTRODUCTION

This little book was designed especially for Christian couples desiring to strengthen their *cord of three strands*. Your cord of three strands consists of God, you, and your spouse and is only as strong collectively as they are individually.

As one part of that three-part union, your ability to cope with marital stress will depend greatly on the strength of your inner man, or rather your spiritual man.

The stronger your spiritual man, the better equipped you'll be to stand in the day of adversity. Likewise, if your spirit man is weak and malnourished, standing firm is certain to be a challenge.

How do you strengthen your spiritual man? The same way you strengthen your physical man, simply by feeding him. Well, Marriage Pearls is going to help you do just that.

In essence, you're receiving a 10-day supply of spiritual nourishment that will strengthen and encourage your soul. Read one pearl everyday for the next 10 days just as you would take a multivitamin.

GETTING THE MOST OUT OF MARRIAGE PEARLS

It's as easy as 1-2-3...4? Each page represents one day and consists of four sections: *Spiritual Vitamin*, *Reflections*, *Time with God*, and an *Inspirational Affirmation*.

Spiritual Vitamin This section contains a Bible verse. Read it in the *morning* but also meditate on it *throughout your day*.

Reflections This section briefly expands on the Bible verse and challenges the way you think. Read it in the *morning*.

Time with God This section contains a *morning* prayer. When you are finished praying, always be still for a few moments and listen for what God is saying. God is always speaking. Most times we don't silence ourselves long enough to hear Him.

Inspirational Affirmation This section contains powerful positive words to begin the process of changing your life. Read it once in the *morning*, at least once *throughout the day*, and again *before bed*. Remember, the power of life and death are in the tongue!

Are you ready to get started? Then let's begin...

DAY 1

DON'T LOSE FAITH

Spiritual Vitamin

“So, you see, it is impossible to please God without faith...” *Hebrews 11:6a*

Reflections

Simply stated, there's nothing you can do that will please God if you don't have faith. Why? Because faith is the very foundation upon which your relationship with Christ is built.

A lack of faith is an indication of your lack of trust in God. No, He doesn't want you to have faith in your circumstances, or faith in your spouse; He wants you to have total faith in Him. Do you?

Time with God

Lord, please forgive me if my faith has been lacking. I realize it is impossible to please you without faith, so I'm asking that you would supernaturally renew my faith on today. Lord, I trust in you – not in my situation. I know that you love me and would never do anything to harm me. Thank you for renewing my faith, in Jesus name, Amen.

Inspirational Affirmation

Today, I place my faith in God knowing that there is no error in Him. Regardless of what circumstances look like, **all things are** working together for my good; even things I don't understand. I also commit to reading and meditating on God's Word because faith comes by hearing and hearing by the Word of God! *Romans 10:17*
